OVERVIEW

Anson focuses her practice on representing private fund sponsors and investors in the formation and structuring of alternative investment vehicles, including pan-Asian private equity funds, venture capital funds, hedge funds and hybrid funds, as well as in their investments, acquisitions, divestments and restructurings across the Greater China region. She regularly handles matters covering funds establishment and license applications.

She is also experienced in handling mergers and acquisitions, private equity, venture capital, security offerings, as well as other compliance and general corporate matters. She also practices fintech, tokenized debt securities, and other crypto transactions and regulations.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Anson worked at an international law firm and a multinational law firm.
