Date: 13 November 2025

Australia Real Estate Alert

By: Simon Moen, Luke Paterson

A series of major AUKUS, Australian Marine Complex (AMC), and defence-related publications and announcements have emerged that are set to significantly shape the future of defence in Western Australia.

Click here to view our table, which chronologically details these developments and captures the key takeaways from these publications.

HOW WE CAN HELP

We are closely monitoring the developments emerging throughout Western Australia, our local team can advise at any and all stages of defence-sector engagements.

The authors would like to thank graduate Amy Lawrance for her contributions to this alert.
