WELCOME TO OUR OVERVIEW OF VARIOUS ASIA-PACIFIC COVID-19 MEASURES AND RELIEFS.

A proliferation of government measures has been issued in response to the coronavirus (“COVID-19”) outbreak. Our overview below summarizes some of the latest measures taken by 13 jurisdictions across the Asia Pacific, which aim to:

- disrupt the transmission of COVID-19;
- provide financial support and relief; and
- provide relief from bankruptcy and insolvency procedures.

While this overview sets out high-level information, it is not a substitute for legal advice. This is particularly important at the present time, as issues are evolving quickly.*

We hope you will find this overview valuable as you navigate current circumstances. We welcome your feedback on any aspect of it.
