OVERVIEW

Cheryl Hsieh is a partner and her practice focuses on private equity and venture capital transactions, estate planning, cross-border mergers and acquisitions, onshore and offshore fund registration, associated investments, regulatory compliance, and other general corporate and commercial matters.

In respect of estate planning practice, she counsels in various aspects of the planning need, including wealth transfer planning, business succession planning, tax planning, and asset protection. She advises onshore or offshore trust settlement, trust and family office administration, and document preparation related to these planning matters.
