# CARBON QUARTERLY – VOLUME 9

Date: 21 August 2024

By: John C. Crossley, John W. Carlson, Shiau Yen Chin-Dennis, Daniel F. C. Crowley, Nathan C. Howe, Derek B. Kalbfleisch, Benjamin A. Mayer, Brendan Gutierrez McDonnell, Laurie B. Purpuro, Emily J. Masangcay

Carbon Quarterly is a newsletter covering developments in carbon policy, law, and innovation. No matter your views on climate change policy, there is no avoiding an increasing focus on carbon regulation, resiliency planning, and energy efficiency at nearly every level of government and business. Changes in carbon—and more broadly greenhouse gas—policies have the potential to broadly impact our lives and livelihoods. Carbon Quarterly offers a rundown of attention-worthy developments.
