# 2018 INVESTMENT MANAGEMENT PRACTICE HIGHLIGHTS

Date: May 2018

The 2018 Investment Management Practice Highlights report on the wide range of matters on which we have assisted clients across the investment management industry, as well as the broad spectrum of financial services industry participants that we represent, including investment managers, retail and private fund complexes and their sponsors, broker-dealers and platforms, insurance companies, financial institutions, and institutional investors. The report includes extensive coverage of our global service capabilities, which is a key component of our practice. It also provides access to various resources that are available to our clients.

Our Investment Management lawyers remain committed to providing practical solutions, breadth and depth of experience, and an unwavering commitment to client service to each of our clients.
