OVERVIEW

Jessica Moore is an associate in the firm's Seattle office. She is a member of the technology transactions practice group. Her practice centers on drafting and negotiating commercial agreements involving technology, intellectual property, and media.

Jessica advises a wide range of clients on technology licensing, software development and implementation, privacy and data security, mobile technology, and copyright and trademarks. Her experience working on a variety of agreements includes master service agreements, licensing agreements, collaboration agreements, publishing agreements, development agreements, privacy policies, terms of service, end user licensing agreements, non-disclosure agreements, statements of work, and work orders.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Jessica worked as an associate at a Seattle based law firm in the tech, media, and emerging companies practice. There, she negotiated, drafted, and revised licensing agreements for various technology transactions and provided data privacy, corporate, trademark, and financing support to clients in various industries.
