## OVERVIEW

Liane Jin is a lawyer in our Restructuring and Insolvency practice in Melbourne.

During her legal roles in Australia and Singapore, she has advised a broad range of clients within the property development, financial services and government sectors, providing legal and strategic consulting advice on areas such as property related acquisitions, international business structures, technology and public affairs.

Liane also has experience advising on Australian state and federal taxation, insolvency, administrative and property law matters.

## PROFESSIONAL BACKGROUND

Prior to joining K&L Gates, Liane worked at the State Revenue Office of Victoria where she acted for the Commissioner in various insolvency litigation and in providing tax technical determinations, private rulings and conducting compliance investigations.
