OVERVIEW

Erica Cook is an associate at the firm's Chicago office. She is a member of the technology transactions and data protection practice group.

PROFESSIONAL BACKGROUND

Prior to retraining as an attorney, Erica was a banking professional who spent eight years advising clients across various sectors including, but not limited to, consumer goods, healthcare and other professional services, and hospitality services. Prior to joining the firm, Erica served as in-house counsel to a global consulting and professional services firm and focused her practice on commercial and regulatory issues in transactions involving the healthcare, medical device, medical technology, and pharmaceutical industries. Additionally, Erica has drafted, analyzed, and negotiated master and consulting services agreements, software as a service agreements, confidentiality and third-party access agreements, and data privacy and security agreements.
