OVERVIEW

Damien is a special counsel in the Corporate group focusing on commercial technology and sourcing. His experience includes advising on digital, technology, ecommerce and privacy including litigation in Australia and the US.

PROFESSIONAL BACKGROUND

Prior to joining K&L Gates, Damien worked as digital legal counsel for an Australian multinational construction, property, investment and infrastructure company. He also worked as the head of information technology and ecommerce for a boutique technology commercial law firm.

Damien has significant experience with large corporates undertaking complex digital transformation programs and he has advised numerous start up and scale ups both within Australia and overseas.
