OVERVIEW

Jessica Brodman is an associate at the firm. She focuses her practice on mergers and acquisitions, private equity transactions, and general corporate matters, including formation and capitalization, corporate governance, and commercial contracting. Her experience spans a number of different industries, including manufacturing, technology, healthcare, energy, and life sciences.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Jessica served as a corporate associate for an international law firm. Through this role, she served as outside general counsel to high-growth technology startups from formation to exit, including companies in the fintech, healthcare and biotechnology sectors. She also represented venture capital funds and emerging companies in early-stage and growth equity financings, SAFE and convertible note financings, secondary sales, debt financings, and mergers and acquisitions.
