OVERVIEW

Anise Noor is an associate in the firm's Finance practice group.

PROFESSIONAL BACKGROUND

Anise completed a vacation scheme at the firm and gained experience in the practice areas of antitrust, competition, and trade regulation and energy, infrastructure, and resources. Prior to joining the firm, alongside her education, Anise served as a caseworker where she provided complimentary advice on matters of employment law, housing law, and benefits appeals.

She received her Master of Laws degree from the University of Law, where she focused her LLM report on employment law and reform to the law relating to employment status.

EDUCATION

- Legal Practice Course, University of Law, 2023
- LL.B., University of Manchester, 2022
