OVERVIEW

Rachel Gitomer is an associate and a member of the Intellectual Property Litigation practice group. Rachel is a registered patent lawyer with the United States Patent and Trademark Office (USPTO) who combines chemical engineering training with hands-on litigation experience to high-stakes disputes involving complex technologies.

Rachel represents clients in patent disputes before various US district courts and the US International Trade Commission (ITC), advising on all stages of litigation. Her work also includes trade secret and Hatch Waxman litigation. Her experience spans a broad range of technologies and industries, including electronics, medical devices, pharmaceuticals, and other innovation-driven businesses.
