OVERVIEW

Torsten Limberg is a partner in the firm's finance practice. He focuses on domestic and international asset finance and has more than a decade of experience representing financial institutions and financial service providers in complex international factoring transactions with major sellers. He also has extensive experience in negotiating loan agreements and borrowing base financing arrangements in connection with receivables transactions.

Additionally, Torsten advises banks, investment funds and investors on real estate financings with cross-border elements, including mortgage bond loans and senior and mezzanine loans. He also regularly advises on the transfer of loan portfolios in the context of restructurings.
