OVERVIEW

Matt Fernandes is an associate in the firm's International Arbitration team.

He advises on complex commercial disputes, with a particular focus on multi-jurisdictional matters arising in the energy and construction sectors. Matt has recent experience of disputes in the upstream and midstream oil and gas sector, as well as construction delay disputes and disputes arising from defects in design.

His experience includes international arbitrations conducted under the ICC and LCIA Rules, as well as commercial litigation before the High Court.
