OVERVIEW

Benjamin Jarousek is a lawyer in the litigation and dispute resolution group focusing on commercial disputes. He has experience acting in product and services liability, contractual, commercial, technology, professional indemnity, financial services, and personal injury litigation, as well as claims in negligence and regulatory prosecutions.

PROFESSIONAL / CIVIC ACTIVITIES

- Member of the Queensland Law Society

EDUCATION

- Bachelor of Business, Queensland University of Technology, 2021
- Bachelor of Laws, Queensland University of Technology, 2021 *Honours*

ADMISSIONS

- Supreme Court of Queensland

AREAS OF FOCUS

- Commercial Disputes

REPRESENTATIVE EXPERIENCE

Experience prior to joining K&L Gates includes:

- Acted on behalf of shareholders to recover compensation on the value of shares following a share price crash, including claims for non-disclosure of material information, breach of fiduciary duties, misleading and deceptive conduct and breach of financial services regulation.

- Acted on behalf of superannuation fund members to recover compensation following claims of breach of fiduciary and trust obligations and breach of financial services regulation.
- Launched a product liability class action investigation to determine whether Australian Defence Force (ADF) personnel suffered personal injury as a result of using personal hearing protection. This matter involved an analysis of international legal issues, their application to the Australian context and the operation of various federal statutes.
