OVERVIEW

Susanna Güven is counsel and a member of the Asset Management and Investment Funds practice. She has over a decade of experience advising international fund sponsors and asset managers on the structuring, establishment, and operation of alternative investment funds across a broad spectrum of strategies, including private equity, private debt, real estate, infrastructure, and venture capital.

Her practice covers the full fund lifecycle, from formation and governance to investor negotiations and the design and implementation of carried interest and co-investment arrangements. She has experience advising both primary fundraising and secondary transactions, including GP-led restructurings, continuation funds, and LP interest transfers, providing strategic guidance on complex deal structures within the evolving secondaries market.

Prior to joining the firm, Susanna spent several years at a leading Luxembourg law firm, where she advised fund sponsors on the full spectrum of legal and regulatory issues related to alternative investment funds. She also led the firm's Nordic country group, supporting clients across Sweden, Norway, Denmark, and Finland.
