OVERVIEW

Kelly Phan is a lawyer in the Litigation and Dispute Resolution practice. Her experience spans the management of medical negligence claims, coronial investigations, and a broad range of clinical and operational issues, including privacy matters, statutory interpretation, serious adverse patient safety events, Freedom of Information matters, and wider legislative compliance. Kelly also has strong experience in supporting court and tribunal processes including supporting witnesses, advising clients on subpoenas to give evidence, medical reports, regulatory investigations, and administrative review applications.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Kelly worked as a legal counsel at a major healthcare provider and a legal officer in the Department of Education's Regulatory and Complex Disputes Unit.
