OVERVIEW

Adrian Florea is a patent agent in the firm's IP Procurement and Portfolio Management practice group. Prior to joining the firm, Adrian served as a research fellow at Columbia University, where he worked on the cutting edge of generative AI and cardiovascular care. Adrian's technical experience also includes research in medical engineering laboratories focused on surgical robotics, medical imaging, and ingestible devices.

This engineering and scientific foundation enables him to approach complex challenges in intellectual property with a deep understanding of innovative engineering concepts and their practical applications.

ACHIEVEMENTS

- NSF Graduate Research Fellowship Program Recipient, 2022

EDUCATION

- M.S.E.E, Columbia University, 2025 (*Electrical Engineering*)
- B.E., Vanderbilt University, 2022 (*Mechanical and Electrical Engineering*)

ADMISSIONS

- United States Patent and Trademark Office

AREAS OF FOCUS

- IP Procurement and Portfolio Management
