OVERVIEW

Emily Moll is an associate and member of the IP Procurement and Portfolio Management practice group. As a previous summer associate and law clerk with the firm, she gained experience drafting patent applications and responses to office actions, conducting patentability and freedom-to-operate searches for new inventions, researching patent litigation matters, and preparing discovery responses. Emily also has researched artificial intelligence legislation for clients.

This is a temporary biography. A complete biography will be available soon.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Emily served as a judicial extern for the Honorable Franklin U. Valderrama of the United States District Court for the Northern District of Illinois, where she drafted published opinions. She also has technical research experience involving genome editing tools.
