OVERVIEW

Jessica Brewer is an associate in the IP Procurement and Portfolio Management practice group. Jessica served as a summer associate prior to joining the firm. Her experience includes collaborating on emerging technology projects and client strategy meetings. She has experience at various law firms where she collaborated on projects involving patents, intellectual property litigation, intellectual property diligence, and data privacy research. Additionally, she has worked on patent-related projects involving technologies such as quantum computing, drones, and electric vehicle guidance systems.

This is a temporary biography. A complete biography will be available soon.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Jessica worked as a digital forensics examiner, conducting forensic examinations and investigations involving trade secret and intellectual property theft, internal corporate matters, and unauthorized activity.
