OVERVIEW

Jamison Koeman is an associate and member of the Corporate M&A practice group. His experience includes corporate formation and venture financing matters, including drafting formation documents for a Delaware corporation and summarizing investment terms for clients pursuing venture financing. He has also researched artificial intelligence regulations in connection with compliance considerations for a strategic initiative. His broader legal experience includes research and investigations involving consumer protection, antitrust, and Washington state law.

This is a temporary biography. A complete biography will be available soon.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Jamison served as a summer associate with the firm. He also interned with a major technology company's legal academy; served as a judicial extern to Chief Judge Anne Cruser of the Washington State Court of Appeals, Division II; and worked as a law clerk in the Complex Litigation Division of the Washington State Office of the Attorney General. Before law school, Jamison was a program manager for a university-based initiative focused on housing and public health.
