OVERVIEW

Alexa Callahan is an associate in the firm's Technology Transactions and Sourcing practice group. She has experience drafting, negotiating, and managing a wide array of complex commercial agreements, such as master services agreements, statements of work, software licensing and SaaS agreements, professional services agreements, NDAs, purchase orders, and termination agreements. Alexa has also developed and implemented standardized processes and tools, including playbooks, templates, and toolkits, to improve efficiency in commercial legal operations and resolved contractual and operational disputes, securing favorable outcomes for the business while balancing legal and commercial priorities. She also assists on M&A transactions, handling due diligence, purchase agreements and related documents, and post-closing matters.
