OVERVIEW

Andreas Menge is a partner in the firm's Berlin office and part of the corporate and transactional practice group. He advises well-known national and international companies on corporate law, in particular mergers and acquisitions.

In addition, he focuses on contractual matters of civil and commercial law, including drafting and negotiating distribution, procurement, R&D, and other commercial contracts. He advises particularly clients in the pharma and healthcare, industrial, automotive and tech industries.

Andreas possesses extensive experience in advising legal departments of international companies on corporate law and commercial contracts. He also worked in legal departments of high profile companies, including the M&A team of a prominent tier-1 automotive supplier and the legal department of an industrial and aviation supplier.

PROFESSIONAL BACKGROUND

Andreas joined the firm in January 2012. After passing his First State Examination in 2008, he worked as a legal assistant at a leading German law firm and as a legal clerk in the Berlin offices of two leading international law firms, among others. He is a participant in the Master's degree (M. Sc.) program Clinical Trial Management and successfully completed Drug Regulatory Affairs at the University of Augsburg in 2017.
