### OVERVIEW

Craig Fraser is a partner in the firm's Mergers and Acquisitions (M&A) practice group. Craig has a broad corporate practice, with particular experience advising on domestic and international M&A transactions (buy-side and sell-side), joint ventures, fundraisings, reorganisations, and corporate advisory work. Craig acts for domestic and international corporate clients at all stages of development and across a range of industries including in the technology, industrial, consumer markets, food and beverage, and logistics sectors.

### PROFESSIONAL BACKGROUND

Craig qualified as a solicitor in 2011 and, prior to joining the firm, was a corporate lawyer in the London office of a UK law firm. Craig is dual qualified in England & Wales and Scotland.

### ACHIEVEMENTS

- Recognised by *The Legal 500 United Kingdom* edition as a Recommended Lawyer for M&A: lower mid-market deals, £100m-£750m in London, 2025

### EDUCATION

## AREAS OF FOCUS

- Mergers and Acquisitions

## REPRESENTATIVE EXPERIENCE

- Represented Sealaska Corporation in its acquisition of DME Systems Ltd, an England-headquartered company specialising in marine and subsea engineering and control systems. Sealaska Corporation is a Juneau, Alaska-based ocean-health business platform that supports sustainably managed fisheries around the world, applies geotechnical expertise that keeps waters clean, and supports the generation of energy from offshore wind.
- Represented New England Seafood International Limited (NESI), a supplier of fresh and frozen fish and seafood to retailers and the foodservice sector in the UK and northern Europe, in its acquisition of the business and assets of UK-headquartered Blue Sea Food Company Limited (in administration), a leading provider of crab products in the UK.
