OVERVIEW

Daniel Fasanello's practice focuses on complex commercial transactions, including licensing, supply, subscription, distribution, data transfer, outsourcing, sponsorship, and services arrangements. In addition, Daniel's practice focuses on a broad array of corporate matters, including mergers and acquisitions, corporate governance, corporate formation and restructuring, and other general corporate matters. Daniel's clients range from emerging growth companies to global corporations, and span multiple industries, including the life sciences, cloud computing, sports, energy, financial services, education, software, entertainment, automotive, pharmaceutical, technology, and robotics industries.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Daniel was an associate at an international law firm headquartered in New York, where he concentrated his practice on public and private corporate transactions, including domestic and cross-border mergers and acquisitions, stock and asset purchases, leveraged buyouts, restructurings, spin-offs, divestitures, and joint ventures. Daniel also advised clients on commercial transactions, corporate governance, debt and equity financings, and general corporate matters.
