OVERVIEW

Andrew Stokes is an associate in the firm's Seattle office. His practice focuses on commercial litigation, with an emphasis on issues relating to electronic discovery, information governance, and attorney-client and related privileges. Andrew has participated in litigation in state and federal court and has argued in state court. He is a member of the firm's e-discovery analysis and technology group (e-DAT).

Andrew maintains an active pro bono practice, and has recently participated in immigration representation and civil rights litigation.
