OVERVIEW

Linda Zhou has more than 20 years of experience in working with technology and biopharma companies and investors in venture capital and corporate transactions, including VC financings, M&As, licensing, joint ventures, and fund formations. Linda's corporate representation includes work with many emerging companies as well as larger companies and VCs.

Linda works frequently on cross-border transactions. She has developed a robust practice guiding domestic clients in their outbound investment and assisting foreign companies in their inbound business expansion. She has acted as a trusted advisor for numerous technology companies and investors in complex acquisitions and global operations across key economic countries.

Linda co-leads the firm's Emerging Growth and Venture Capital practice. She is an experienced and well-known business lawyer in several local technology communities.
