OVERVIEW

Jordan Hurley is a lawyer in the complex litigation and disputes resolution team in Perth, and provides considered advice primarily in relation to contentious matters. His experience is broad and includes providing advice and representation in debt recovery, contractual disputes and *Corporations Act* matters.

Jordan has represented clients before the Supreme Court, Federal Court, District Court and the State Administrative Tribunal. He has a keen interest in disputes involving contemporary issues such as crypto-currency and the use of metadata in proceedings.

Jordan works with clients to develop an appropriate strategy to achieve desired outcomes.

PROFESSIONAL BACKGROUND

Prior to joining the firm, Jordan practiced as a commercial litigation lawyer at a mid-sized Western Australia based firm.
